TRADITIONAL • GENTLE • EFFECTIVE

ACTIVATED CHARCOAL CAPSULES

Digestive and Flatulence Support

Activated Charcoal Capsules contain high-quality activated charcoal derived from coconut shells in a convenient vegetable capsules. Activated charcoal has a highly porous structure that allows it to absorb certain substances within the digestive tract.

- **DIGESTIVE SUPPORT**
- **FLATULENCE SUPPORT**
- **NATURAL PLANT BASED SUPPORT**
- **SUITABLE FOR ADULTS & CHILDREN**
- **COVENIENT CAPSULE FORM**

WHY ACTIVATED CHARCOAL WORKS

Activated charcoal works primarily through the process of absorption. It's highly porous structure creates a large surface area that allows certain substances to adhere to the surface of the charcoal within the gastrointestinal tract.

WHY COCONUT SHELLS

- Coconut shells are porous and provide a large surface area capable of absorbing certain substances.
- Traditionally used in digestive-support preparations.
- May help reduce excessive intestinal gas after eating.
- Provides a convenient option for short term digestive support.

CAUTION

- Children under 12 years only under the direction of a healthcare practitioner.
- Consult a healthcare practitioner or pharmacist before use if on other medication.
- Not recommended for long-term use.
- Ensure adequate fluid intake.
- May cause black stools, constipation and abdominal discomfort.
- Not intended as an emergency treatment for poisoning and overdose.
- Keep out of reach of children.
